### Greetings

Verse of the day:

**2<sup>nd</sup> Corinthians 11:13-15 KJV** “For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ. 14 And no marvel; for Satan himself is transformed into an angel of light. 15 Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.”

As the above verses indicate, there are deceivers among us in the church. They either willingly deceive or are themselves deceived. The only safety we have as believers in Christ is to study and verify what we are being taught. In the Apostle Paul's day the deceivers were already at it. How much more are they at it today when there are hundreds of new “better” so called bibles to chose from. Each one different than the other because of copyright laws, like for instance the name of God which is **JEHOVAH** listed 8 times in the King James Bible is not found in the NIV and most New easier to read Modern bibles. Do you not think that wickedness in high places are not behind removing the name of God from these so called new bibles and that's only one area of deceit that's going on today.

The other major thing that is happening today is the blurring of the lines between Law and Grace. Grace is a “free gift” and as you know when you receive a free gift you do absolutely nothing to get it. You do not have to ask for it or pray to receive it. Our part is to Trust and Believe that Christ paid for all our sins on the cross was buried and rose again on the third day according to the scriptures. God's Grace requirement is [**You hear the word of God that Jesus Christ died on the cross to pay for your sins – you believe and you trust that it is true - and by believing you are saved**]. Then the **moment you believe you are sealed** (for eternity) with the Holly Spirit and you have moved from death to life. **You never ever lose your Salvation once you are sealed**. Church traditions and works not found in Grace, like confessing your sins, saying the sinners prayer being water baptized, speaking in tongues, etc, etc do not save you. **If you bring anything of your own doing to salvation – (which is works) then you are not trusting exclusively in Christ alone by faith alone**. By doing (your own works) you are indicating to God that Jesus' sacrifice on the cross was not sufficient enough to pay for your sins and that you must do something yourself as well. But the only requirement on your part is to trust and believe. That's it.. and by the way, God knows if you believe or not.

**2<sup>nd</sup> Corinthians 11:3 KJV** “But I fear, lest by any means, as the **serpent beguiled Eve through his subtilty**, so your minds should be corrupted from **the simplicity that is in Christ**.”

Yes, Salvation in this age of Grace is very simple. Let's not be “beguiled” into believing that we must do something ourselves; **it's a “free gift” period**. In Paul's day, the attack was already on the “simplicity that is in Christ,” it has been going on since Paul's day and it is still going on today. Lets beware of the “subtlety” of our adversary to encourage us to think that we can bring (**some of our filthy rags**) to the table for our Salvation, when its free to start with.

May God richly bless you and your family
