Topic >> **The Shed Blood of Jesus Christ – is the only thing that can save us from Hell**

Propheying of the Messiah’s conception and construct in the womb, Jeremiah said in **Jeremiah 31:22b KJV** “for the LORD hath created a new thing in the earth, **A woman shall compass a man**” (meaning will “surround” a man)

Rev 1:5 KJV “And from Jesus Christ, who is the faithful witness, and **the first begotten of the dead**, and the prince of the kings of the earth. Unto him that loved us, and **washed us from our sins in his own blood**”

John 1:14 KJV “And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.”

Ephesians 2:13 KJV “But now in Christ Jesus ye who sometimes were far off **are made nigh by the blood of Christ.**”

Jesus Christ - Fully Man and Fully God

Jesus of Nazareth’s story is not of man becoming God, but rather, **God coming in a human body** – the ‘divine life’ putting on or being clothed with a human ‘body of flesh’... **that He might die our death!** While Mary herself was conceived of her human father, Jesus was **conceived of the Spirit of the life of His Father God...** then to be **“born of a woman.”**

Mary’s human blood did not touch or taint Jesus’ ‘Royal Blood.’

It’s quite surprising to most of us that the a human mother’s own blood never enters the child’s blood system at any point. **Mother and child do not share the same blood!** The two lives of mother and child are separate and distinct because **each individual’s “life of their fathers is in the blood.”** The mother’s blood and the baby’s blood do not touch, they are different individual lives, persons... different souls having an individual life.

Mary received the sin-nature of her father, as all humans do. Thankfully, in the conception of Jesus of Nazareth, Mary’s human **blood-life** was not Jesus’ blood-life... since He was born in the flesh of God His Father. Mary then “surrounded” and nourished baby Jesus in the womb, while the Spirit-life of God was in Jesus’ ‘Royal Blood’... was separate and distinct from Mary’s blood life.

Jesus sacrificed His **‘Royal Blood’ and life** for mankind on the cross...the Divine ‘Royal Blood’ that He shed was not simple human blood and life – it did not come from His human mother Mary or sourced in the life of fallen sinful mankind in any way. **Jesus’ blood contained His actual Spirit-life.**

Only the **‘Royal Blood’** of the **“Son of Man,”** Jesus of Nazareth, was **pure and thus qualified to redeem sinful mankind** since **His precious ‘Royal Blood’** was not of or related to any human person who had sinned (Adam, or His human mother Mary). Only innocent Jesus Christ was free of sinful acts and thus qualified to **“take away the sins of the world”** by which all men are **reconciled to God through faith in His Shed Royal Blood.**
