**Topic** >> "The blood of Jesus Christ his Son cleanseth us from all sin."

Leviticus 17:11 KJV "For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul."

**God pronounces the sinner who believes in Christ to be righteous.**  
Faith is just the recognition that Christ has done everything for me; that **God's declaration of righteousness is just His declaration that, according to the law and right, I have a title to salvation.**

**God's grace bestows on me the RIGHT to heaven. The blood of the Lamb is the evidence of this RIGHT.** If I have been cleansed by that blood, **We can meet death with full confidence** – In our NEW BODY **We are bound for Heaven!!**

## **How Important is Christ's Shed Blood for our Salvation?**

**Romans 6:23 KJV** "For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord."

The sacrifice of Jesus Christ and the blood He shed on the cross was the price He paid for the sins of all mankind. **His shed innocent blood and torn flesh bring life to those who accept Him as their Savior.** It is a mystery as to why His innocent life was required as a sacrifice for our sins. **Although we don't understand this, God tells us that this is the only way we can be Saved.**

The religions, that do not accept **the atoning** (to make amends or reparations) work of Jesus Christ have become "bloodless" theologies without power.

**Sin requires the shedding of blood:** In old testament times innocent animals were slain and their blood sprinkled on the altar for the remission of a Israel's sins. Which was a covering of their sins **until Israel would be forgiven as a Nation** at Christ's second coming at the end of the Tribulation.

**Note:** Old testament **Israelis** who believed, including the **Israel little flock** who were **water baptized** in Mathew, Mark, Luke & John & part of Acts **had remission of sins.** Which means **their sins were covered but Not forgiven.** We can understand this in a way that - **when cancer is in remission.. It's not 100% sure that it's gone. The nation of Israel's sins are not forgiven yet.**

**Where as we,** in this dispensation of **GRACE** are "Saved" individually by believing and trusting Christ and **we have "FORGIVENESS OF SINS."**

There is a big difference between Remission of sins and Forgiveness of sins. Thus, if you are going back to Israel's program for your **GRACE doctrine** and Israel was and is temporally set aside for now. **How will that work out for you?**

The "Moment" **we believe** Jesus Christ paid for our sins **we are "SEALED"** with the Holy Spirit.

Having now been justified by His **BLOOD** we shall be **SAVED** from wrath through **HIM.**  
Romans 5:9

As our Surety [**guarantor**] the Son of God was born under the law. He obeyed it perfectly. He resisted the temptations of Satan to withdraw Himself from under its authority. **He willingly gave Himself up to bear the punishment of sin.** He gave no ear to the temptation of Satan, to refuse the cup of suffering.

When He shed His blood, He had devoted His whole life to this very end, to the fulfilling of the law. **When the law had been thus perfectly fulfilled, the authority of sin and Satan was brought to an end.** Therefore, death could not hold Him." Through the blood of the everlasting covenant " God brought Him " again from the dead." **He "entered heaven by his own blood," to make His RECONCILIATION with God the Father, effective for us**
